Stock&Roll 12

**720 €**

Fabrice R. ★★★★★

When I discovered the Stock&Roll, I immediately thought that it was an opportunity to restructure my storage space. I have coils of all sizes up to 60 inches and I was able to put large ones and twice as many small ones on the same Stock&Roll thanks to the Splitter!"

# GRAND STOCK&ROLL

## Large rolling storage trolley

Each splitter has an independent height adjustment.

Identification of your rolls

**Laurent E.** ★★★★★

"Custom manufacturing of a Grand Stock & Roll to store my 36 rolls of Flex. It's not bulky and it's easy to move. My Rolls are always available near my machines!
Thank you Stock & Roll".

Julien T.                     ★★★★★

"For our new workshop, we were looking for a practical storage solution for our rolls, which would allow us to put small and large rolls on a minimum of space.
We now have a long-term storage solution and excellent visibility into our stock."

# GRAND PODIUM

## Large and rotating storage solution

Each splitter has an independent height adjustment.

Olivier D.    ★★★★★

Great! We placed the Big Podium right next to the machines and on a small space we were able to put small and big reels.
Best discovery at the C-Print show!
